

Aem Final Project - Sundar Karthik S

Home Page:

- Intro of the author
- Awards quick view
- Testimonial of author

The screenshot shows a web browser window with multiple tabs open at the top. The main content area features a white rounded rectangle containing the Iowa Children's Choice Award logo, which is a blue ink splatter with the text "Iowa Children's Choice Award" inside. To the right of the logo, the text "CHILDREN'S CHOICE AWARD 3RD/4TH GRADE BOOK OF THE YEAR (2016)." is displayed in bold, uppercase letters. Below this, a smaller paragraph explains the award: "Awarded by the Children's Book Council, this honor recognizes books that resonate with children in the 3rd and 4th grades, highlighting their popularity and impact among young readers." At the bottom of the white box, the word "TESTIMONIALS" is centered.

ALICE JOHNSON

MICHAEL SMITH

SAMANTHA LEE

The screenshot shows a web browser window with multiple tabs open at the top. The main content area features a "TESTIMONIALS" heading. Below it are three testimonial boxes, each with a name and a quote. A "Load More" button is located at the bottom of the testimonial section. At the very bottom of the page, there is a footer with links to "ABOUT ME", "QUICK LINKS", "BOOKS", and "SOCIAL".

ALICE JOHNSON

Bethany's books are incredibly inspiring and beautifully written!

MICHAEL SMITH

Her storytelling is captivating and keeps me hooked till the last page.

SAMANTHA LEE

I love how she brings characters to life with such depth and emotion.

About Page:

- **About the author**
- **quick Achievements**
- **Image banner**

The screenshot shows a web browser window with multiple tabs open at the top. The active tab is 'localhost:4502/content/myTraining/us/en/about.html'. The page content includes a logo for 'BETHANY BARTON (Author.)', a navigation bar with 'HOME', 'ABOUT', 'BOOKS', and 'CONTACT' buttons, and a main section titled 'About Bethany Barton'. This section contains a bio, a list of achievements (Best Fiction Award - 2023, Published 5 Bestselling Novels, Speaker at the Global Writers' Summit, Featured in Major Literary Magazines), and a photo of Bethany Barton.

This screenshot shows the same 'about.html' page as the previous one, but with a different layout. It features a sidebar on the left containing a list of achievements (Best Fiction Award - 2023, Published 5 Bestselling Novels, Speaker at the Global Writers' Summit, Featured in Major Literary Magazines, Conducts Writing Workshops Worldwide) and a small thumbnail image of Bethany Barton. The main content area includes a bio and a photo of Bethany Barton. At the bottom of the page is a dark footer with four sections: 'ABOUT ME', 'QUICK LINKS', 'BOOKS', and 'SOCIAL'. Each section contains links to specific pages or social media profiles.

CONTACT PAGE:

- Get in touch
- Contact info
- Send message form

The screenshot shows a web browser window with a dark header bar. In the header, there is a logo for "bethany BAERTON (Artist.)" and four navigation buttons: HOME, ABOUT, BOOKS, and CONTACT. Below the header, the main content area has a title "Get in Touch". A sub-section titled "Contact Information" lists three items: Email (contact@bethanybaertton.com), Phone (+1 (555) 123-4567), and Location (New York, USA). Below this information is a large input field labeled "Send a Message" with a placeholder "Full Name".

This screenshot shows the same contact page as above, but with more detailed input fields. The "Send a Message" section now includes three separate input fields: "Full Name", "Email Address", and "Message". Each field has a placeholder text: "Full Name", "Email Address", and "Message" respectively. Below these fields is a large black button labeled "Send Message". The rest of the page content, including the header and contact information, remains the same.

Books Page:

- All the collection of books

A screenshot of a web browser displaying a collection of children's books. The page has a dark header with the author's name "BETHANY BARTON" and her title "(ARTIST.)" on the left, and four navigation buttons: HOME, ABOUT, BOOKS, and CONTACT. Below the header, the word "Books" is centered. Three book covers are shown in a single row. From left to right, they are "I'M TRYING to Love ROCKS", "I'M TRYING to Love GARBAGE", and "I'M TRYING to Love GERMS". Each book cover features colorful, whimsical illustrations. At the bottom of the page, there are four footer sections: "ABOUT ME", "QUICK LINKS", "BOOKS", and "SOCIAL".

Individual book Page:

- **Intro of the book**
- **Description of the book**
- **Image of book**
- **A buy now button redirecting to amazon**

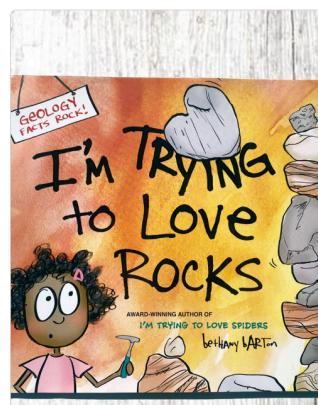

The screenshot shows a web browser window with a dark theme. At the top, there are several tabs open, including 'Home', 'About', 'Contact M...', 'books', 'I'M TRYIN...', 'Book Detail', 'myTraining', 'books | AI', and 'CRXDE Lite'. The main content area features a header with the author's name 'Bethany Barton (ARTIST.)' and four buttons: 'HOME', 'ABOUT', 'BOOKS', and 'CONTACT'. Below this is a large image of the book cover for 'I'M TRYING to LOVE GERMS'. The cover art is colorful and depicts various germs and microorganisms. To the right of the book image, the title 'I'M TRYING TO LOVE GERMS' is displayed in bold capital letters, followed by 'Author: Bethany Barton'. A detailed description of the book follows, mentioning it is a children's book published by Penguin Random House, aimed at readers aged 4 to 8, and explores the microscopic world of germs with informative content and humor. Below the description is a small note indicating it was published on Mar 15th 2022.

This screenshot shows the same web browser interface as the previous one, but the book detail page has changed. The book cover for 'GERMS' by Bethany Barton is now displayed. The cover art is similar to the previous one but with different germs. The title 'GERMS' is prominently displayed, along with the author's name and the note 'AWARD-WINNING AUTHOR OF I'M TRYING TO LOVE SPIDERS'. To the right of the book image, the same descriptive text about the book is present, mentioning its educational value and entertaining presentation. Below the book image, there is an orange 'Buy Now' button. At the bottom of the page, there are four footer sections: 'ABOUT ME', 'QUICK LINKS', 'BOOKS', and 'SOCIAL'. The 'ABOUT ME' section contains a brief bio about the author. The 'QUICK LINKS' section includes a link to 'myTraining'. The 'BOOKS' section lists 'myTraining'. The 'SOCIAL' section links to Twitter, GitHub, and LinkedIn.

I'M TRYING TO LOVE ROCKS

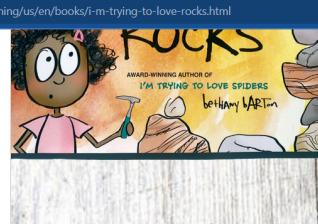

Author: Bethany Barton

"I'm Trying to Love Rocks" is a children's book written and illustrated by Bethany Barton, published on June 2, 2020. This engaging 40-page hardcover is part of Barton's acclaimed "I'm Trying to Love..." series, which introduces young readers to various subjects with humor and informative content. In this installment, Barton explores geology, delving into topics such as the Grand Canyon, volcanoes, diamonds, and fossils, highlighting the significance of rocks in our world.

Book details Page template:

Templates created :

BookDetails Component:

The screenshot shows the CRXDE Lite interface for the BookDetails component. The left sidebar shows the project structure under /apps/myTraining/components/BookDetails/cq:dialog/content/items/column/items. The main area displays the HTML code for BookDetails.html:

```
<style>
.book {
    display: flex;
    justify-content: center;
    align-items: center;
    margin: auto;
    padding: 20px;
    max-width: 1000px; /* Increased width for better spacing */
}

.book-card {
    display: flex;
    flex-direction: row;
    align-items: flex-start;
    background: #fff;
    border: 1px solid #ddd;
    border-radius: 10px;
    box-shadow: 0px 6px 10px rgba(0, 0, 0, 0.15);
    width: 80%; /* Increased width */
    max-width: 100px; /* More space for description */
    padding: 25px;
    gap: 30px; /* More spacing between image and text */
}

```

The Properties tab in the bottom right shows the following configuration:

Name	Type	Value	Protected	Mandatory	Multiple	Auto Created
jcr:primaryType	Name	nt.unstructured	true	true	false	true

Author testimonial component:

The screenshot shows the CRXDE Lite interface for the authorTesti component. The left sidebar shows the project structure under /apps/myTraining/components/authorTesti/authorTesti.html. The main area displays the HTML code for authorTesti.html:

```
<div class="author-component" data-sly-data="${authorModel.fetchDataFromApi}">
    <h2>Testimonials</h2>
    <!-- API Data -->
    <div class="api-data ${properties.fetchDataFromApi}">
        ${authorModel.fetchApi}
    </div>
    <!-- Testimonials Container -->
    <div class="author-container">
        <sly data-sly-list="testimonial=${authorModel.fetchApi}">
            <div class="card">
                
                <h2>${testimonial.name}</h2>
                <p>${testimonial.review}</p>
            </div>
        </sly>
    </div>
    <button id="load-more" class="load-more-btn" data-cards-to-show="${authorModel.loadMoreValue}">
        Load More
    </button>
</div>
```

The Properties tab in the bottom right shows the following configuration:

Name	Type	Value	Protected	Mandatory	Multiple	Auto Created
jcr:created	Date	2025-03-14T15:51:47.392+05:30	true	false	false	true
jcr:createdBy	String	admin	true	false	false	true
jcr:primaryType	Name	nt:file	true	true	false	true

Author Component:

The screenshot shows the CRXDE Lite interface for the 'author.html' component. The left sidebar lists various components like 'core', 'clientlib', 'myTraining', and 'author'. The 'author' folder contains 'author.html', 'authorTest.html', and 'authorTest.js'. The main panel displays the component's JSP code, which includes clientlibs and a div for displaying author details. Below the code is a 'Properties' tab showing three properties: 'jcr:created' (Date), 'jcr:createdBy' (String), and 'jcr:primaryType' (Name). The 'Build Info' tab is also visible.

```
<@ data-sly-use:clientlib='core/wcm/components/common/v1/templates/clientlib.html'>
<@ data-sly-call='${clientlib.all @ categories="myTraining.authorComponent", async=true}'/>
</@>
<div class="author-component bw-theme-light" data-sly-use:authorModel="com.myTraining.core.models.AuthorModel">
<div class="author-component__header">
<img alt="${authorModel.authorName}" data-sly-use:authorImage="authorImage" data-sly-call="getAuthorImage" />
</div>
<div class="author-component__content">
<h2 data-sly-use:authorName="${authorModel.authorName}"/>
<p data-sly-use:authorBio="${authorModel.authorBio}"/>
<p data-sly-use:authorDob="formatDate: ${dd MM, YYYY @ format=authorModel.dob, type='datetime'}"/>
</div>
<h3 data-sly-use:books="Books by ${authorModel.authorName}"/>
<div data-sly-list:item="${authorModel.books}">
</div>
<div data-sly-use:apiData="${properties.fetchDataFromApi}">
${authorModel.fetchApi}
</div>
</div>
```

Name	Type	Value	Protected	Mandatory	Multiple	Auto Created
jcr:created	Date	2025-03-14T05:20:34.523+05:30	true	false	false	true
jcr:createdBy	String	admin	true	false	false	true
jcr:primaryType	Name	nt:file	true	true	false	true

Home Banner Component:

The screenshot shows the CRXDE Lite interface for the 'homeBanner.html' component. The left sidebar lists various components like 'button', 'carousel', and 'homeBanner'. The 'homeBanner' folder contains 'homeBanner.html', 'cq:dialog', and 'cq:dialog/content'. The main panel displays the component's JSP code, which includes a CSS block for the banner and a div for displaying banner items. Below the code is a 'Properties' tab showing two properties: ' sling:resourceType' (String) and 'jcr:primaryType' (Name). The 'Build Info' tab is also visible.

```
<!-- Home Banner Component -->
<style>
.cmp-homebanner {
  display: flex;
  align-items: center;
  justify-content: center;
  gap: 20px;
  padding: 20px;
  background-color: #f9f9f9;
  border-radius: 10px;
}

.cmp-homebanner__img img {
  width: 550px; /* Adjust based on design */
  height: 500px;
  object-fit: cover;
  border-radius: 50%;
  box-shadow: 0px 4px 10px rgba(0, 0, 0, 0.1);
}

.cmp-homebanner__content {
  flex: 1;
  max-width: 600px;
}
</style>
```

Name	Type	Value	Protected	Mandatory	Multiple	Auto Created
sling:resourceType	String	grante/ui/components/coral/foundation/fixedcolumns	false	false	false	false
jcr:primaryType	Name	nt:unstructured	true	true	false	true

Header:

A screenshot of a web editor interface showing a footer template. The browser tab is titled "localhost:4502/editor.html/content/experience-fragments/myTraining/us/en/site/footer/master.html". The page has a dark header bar with the word "FOOTER". Below it is a footer section with four main columns: "ABOUT ME", "QUICK LINKS", "BOOKS", and "SOCIAL".

- ABOUT ME:** Bethany Barton is an award-winning author and illustrator of STEAM children's books, having worked with Penguin Random House, Simon & Schuster, and Candlewick Press.
- QUICK LINKS:** Home, About, Contact Me, books
- BOOKS:** I'M TRYING TO LOVE GERMS, I'M TRYING TO LOVE ROCKS
- SOCIAL:** Twitter | GitHub | LinkedIn

At the bottom, there is a copyright notice: "© 2025 Bethany Barton. All rights reserved." and a placeholder "Drag components here".

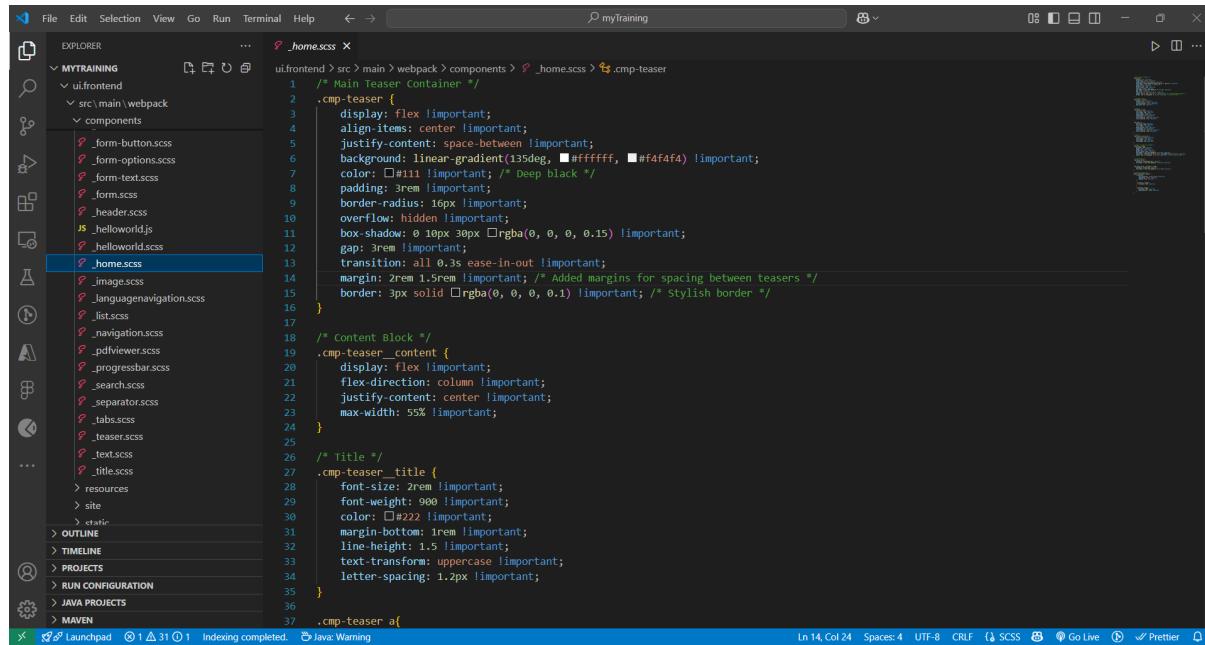

Footer :

A screenshot of a web editor interface showing a header template. The browser tab is titled "localhost:4502/editor.html/content/experience-fragments/myTraining/us/en/site/header/master.html". The page has a dark header bar with the word "HEADER". Below it is a header section with a logo and navigation links.

- LOGO:** BETHANY BARTON (ARTIST)
- NAVIGATION:** HOME, ABOUT, BOOKS, CONTACT

Below the header, there are two "Drag components here" placeholders.
